Where: Granite Technical Institute  
2500 State St, Salt Lake City, UT 84115  
When: July 31-Aug. 4  
8:30am-3:00pm M-F  
What: An introduction to the 6th-8th grade SEEd Standards, including modeled sample lesson and expert content lectures with an emphasis on the science content that is new to each grade.  

*This workshop is geared specifically for teachers who want to effectively implement the new standards, but who have received minimal training.

The SEEd Swap Workshop is open to any Utah 6th, 7th, or 8th grade teacher.

Selection will be based on available space for each grade level with priority given to teams of teachers from Title 1 schools. Administrators are welcome to attend on July 31st. Once your application has been approved, you will be sent a link regarding workshop details.

A supply supplement of $150 will be offered to teachers who attend the entire workshop.
